

Presenter's Name	Date of Presentation	Stated purpose/Relevance of topic?	Major topic defined and well sequenced?	Effective communication and teaching?	Did presenter have command/knowledge of the subject?	Was the fellow able to interpret the literature appropriately?	Was the presenter able to answer questions?	Was the presenter able to form conclusions?	Do you have any comments?
Dan Rosenberg	2/27/2019	Competent	Competent	Competent	Competent	Competent	Competent	Competent	Very nice use of primary literature for presentation. At times conclusions/recommendations were a bit strong for level of evidence in the literature. Nice job, Dan.
